SHAW-STRAIN SEEDS

New Flower Creations 1934

WHOLESALE LISTINGS

AMARYLLIS

GIANT FLOWERING HYBRIDS

This giant flowering type is a cross between selected large flowering varieties, crossed with the Hawaiian, giving a most beautiful variety with strong, wide open flowers 4 to 6 per stem, colors ranging from white to deep maroon, wonderful salmon colors. Five-year bulbs flower from 3 to 6 times a year. Most wonderful pot plant. Flowers in 18 months from seed.

½ to 1 inch bulbs.....\$2.50 per doz.
1¼ to 1¾ inch bulbs..... 3.50 per doz.
2 to 3½ inch bulbs..... 5.00 per doz.
Seeds per 100.....\$1.00

AQUILEGIA

(COLUMBINE)

Shaws' Strain. A wonderful new strain of pastel shades, flowers up to 3½ inches in diameter, long spurred, plants average 3½ feet high, and are very profuse bloomers. Fine for cutting.

SHAW'S STRAIN

Sample Pkt. 25c Tr. Pkt. \$1.00

CALENDULA

Gold Improved, deep golden yellow of extra size and extra long stem.

Sensation, bright orange with scarlet sheen.

Apricot, rich straw or apricot color with dark brown center.

Lemon Queen, bright yellow with attractive dark center.

Orange, improved extra long stemmed, deep orange large flowers and vigorous grower.

Supreme, rich shade of light orange with finely contrasting dark center, medium stemmed, free flowering habit.

Tr. Pkt. 25c ¼ Oz. 50c ½ Oz. 90c
1 Oz. \$1.75

CINERARIA HYBRIDA

(GRANDIFLORA)

These giant blossoms, borne in immense, compact trusses, surmount bold, dark green foliage on dwarf plants of mode form, attain a height of 15 to 18 inches, the leaves are massive and beautiful. This strain is the result of a great many years intensive work in breeding and selecting this wonderful strain, and it is greatly improved. The result has given additional colors with large trusses of bloom.

CELOSIA CRISTATA

(COCKSCOMB)

For beds, borders and pots.

Very attractive and showy annual, producing massive heads of rich shades of crimson. Does best started in a hotbed and transplanted into very rich soil after warm weather has set in. Set the plants a foot or more apart. Tender annuals.

Empress, bright red; dark foliage,
Tr. Pkt. 25c 1 Oz. \$2.25

CARNATION

Chabaud's are the most satisfactory garden and commercial types as they bloom within a few months after being sown, and continue to produce flowers in great profusion, indefinitely. Sow the seed in boxes in the fall or in the early spring. Chabaud's Everblooming Carnation produces a large percentage of double flowers.

Separate Colors: Rose, Yellow, Deep Red, Scarlet, Bright Rose and Choice Mixed.

SHAW STRAIN HYBRID DELPHINIUM

The Shaw Strain Hybrid Delphinium is the result of nineteen years selecting and improving, by hand pollenizing, from the finest English Hybrids. This strain of Delphinium won hundreds of first prizes all over the United States over other strains of Delphinium. For years we grew thousands of Delphiniums from the finest English strains obtainable, and after drastic selection, very few of the finest selections were retained and these were used in building up this wonderful strain. I have stayed away from the tall spike variety, and have developed a strain averaging five feet in height, producing from eight to twenty laterals ranging from eighteen to thirty-six inches in length, with small wiry, whippy stems, with twelve to sixteen inches of flowers on each lateral; ideal for commercial cut flower purposes. It is impossible for one person to reach completely around some individual spikes and touching their fingers on the opposite side without crushing the lateral spread. This gives the commercial cut flower grower four to six times the return from cut flowers per foot of space used growing this variety. Thousands of growers in the United States are today using this strain solely for their cut flower purposes, also for forcing under glass where every foot of space is valuable, and they have very little trouble, if any, due to the resistance of this strain to mildew, having used the wild native specie in our crosses which has built up this resistance. The flowers range in sizes from one inch to three and one-half inches in diameter, and come in a bewildering range of colors.

NEW VARIETIES DELPHINIUM

No. 244—Orange Fragrant Delphinium. The Shaw Strain Delphinium is noted for its fragrance. We have been developing and selecting fragrant varieties for the past fifteen years and today sixty-five per cent of our entire strain produces fragrance. It is more prominent in some varieties than others and is more noticeable in the evening or morning time than throughout the day. In 1931 we discovered in our trial beds a new variety with an intense orange fragrance, almost as strong as that of the orange flower. This is the first time we have discovered any great difference in the fragrance of this flower. By all means try this new variety.

100 Seeds \$2.50

No. 245—California Gold—Double yellow, strong grower of a light canary yellow.

50 seeds \$2.50

No. 246—Enchantress. Double. Color pure medium violet, petals waved, deep brown bee with yellow beard flowers 1½ inches in diameter and very compact yet not crowding, making a most beautiful effect with a great many laterals on each spike. This new variety we have been working on for several years and this year it came 97 per cent true from seed to parent plant. This is a new type as well as a new color, for cut flowers, or your garden.

Seeds, \$2.50 per 100; \$20.00 per 1000

No. 247—Crown of Jewels. Double, color medium blue, inner petals bordered with lavender-pink, having an iridescent effect over the rough veined petals, giving an effect of thousands of tiny jewels. A pure white bee with a yellow beard. Flowers three inches in diameter. This is a truly a jewel among jewels. Plant five feet in height with average of sixteen laterals per spike, twenty-six to thirty inches in length.

Seeds, \$2.50 per 100; packets only

No. 248—Ambassador. Double color electric blue, back petals edged purple-mauve with inner petals almost solid purple-mauve with electric blue center. Bee white and purple with yellow beard. Center petals fluted and somewhat protruding. Flowers three inches in diameter. Very graceful plants five feet in height with around eighteen laterals up to thirty inches in length. This is truly a wonderful Delphinium. One of the most magnificent dark shades in our gardens.

Seeds, \$2.50 per 100; package only

No. 249—Towering Jewel. Double, color light blue with pink markings; the most wonderful flowers we have ever seen; flowers 3¼ to 3½ inches in diameter; beautifully placed on towering spike; every one who loves Delphinium should have this flower. 150 Seeds \$2.50; per Oz. \$100.00

NAMED VARIETIES DELPHINIUM

No. 250—Dainty Maid. Double, lightest of blue, center lavender pink, white bee; medium size flowers on graceful spikes with perfect form, exceedingly handsome.

No. 251—Her Majesty. Double, light blue, center lavender pink, dark brown and pink bee with yellow beard. Most beautiful.

No. 252—Autumn Queen. Double, brightest of blue, inner petals rose, tipped bright blue, white and rose bee. Very stately spike with wonderful large flowers, fine spacement. Extremely handsome.

No. 253—Romance. Double, brightest true blue, inner petals true blue edge, plum color and frilled, white and plum color bee. This wonderful flower on its tall stately spike holds one and all who gaze upon it and they marvel at its beauty.

No. 254—Fairy Queen. Double, pale blue, inner petals, pale blue center edging into pink at outer edges frilled lavender and brown striped bee with yellow beard. Medium size flowers on wonderful spike; this is the daintiest of all Delphinium.

No. 255—Monarch. Double, dark blue, mauve center, purple and white bee, very large flowers, tall spike. Exquisite.

No. 256—Sky Rocket. Semi-double, pale blue, center petals lavender pink, yellow bee, flowers 2¾ inches in diameter. Wonderful tapering spike, beautiful beyond words.

No. 257—Purple Robe. Double. Color deep purple, white bee. Flowers beautifully placed on long spike.

No. 258—Little Boy Blue. Double, outer petals lavender, inside petals medium blue and pink; all petals tipped peacock green, brown, bee, good size.

No. 259—Sensation. Double, color rosy-mauve, over 2½ inches in diameter; flowers beautifully placed on long spike; this flower is a real prize winner.

No. 260—Blue Bird. Single, light blue shading into pink; white bee; flowers average 3 inches in diameter; very fragrant; our best single flower.

No. 261—Mount Shasta. Double, light lavender with white bee; very large.

No. 262—Triumph. Double, violet; very large flowers on long, handsome spike.

No. 263—Empire. Double, immense flowers; sky blue, pink center; one of our very finest.

No. 264—San Francisco Maid. Double; outer petals dark blue; inside petals amethyst, yellow bee; very large.

No. 265—Santa Rosa Jewel. Double; outer petals light blue; inside petals lavender, which protrude; very large.

PRICE—Above Varieties, 150 Seeds, \$1.00; 1000 Seeds \$5.00

No. 266—Fragrance. Double; medium blue and pink mixed; stripped blue and white bee; good size.

No. 267—Fascination. Semi-double; outer petals light blue; inside petals lavender; very large.

No. 268—Princess Glory. Double; light blue and lavender mixed; white bee; very delicate; medium size.

No. 269—Venitian Skies. Semi-double; color clear blue with rose markings; white and blue bee; long spike.

No. 270—California Gem. Single; color rosy-purple, white bee; large flowers; beautifully placed on long spikes; very fine.

No. 271—Purple Giant. Semi-double; dark purple self; very large flowers; wonderful spike.

No. 272—Lavender Prince. Single; pure lavender with white bee; very large and fragrant; wonderful spike.

No. 273—Blue Souvenir. Single; dark blue with prominent black bee; long spike.

No. 274—Silver Lake. Single; light blue with white bee; very large and very fragrant; wonderful commercial variety for cut flowers.

No. 275—Catalpa Blue. Single; medium blue; very clear color; white bee; very large and very fragrant; wonderful commercial variety for cut flowers.

PRICE—Above Varieties, 100 Seeds 50c; 1000 Seeds \$3.50

SWEET PEAS

Early or winter flowering Spencer Sweet Peas come into bloom at least one month earlier than the late or standard Spencers. For this reason they are particularly suited for sowing in August and September, for early fall and Christmas blooming. However, the planting season in California extends from August 1st until February 15th with the resultant wealth of bloom throughout the early spring and summer.

EARLY FLOWERING SWEET PEAS

Alameda, deep rose pink

All White, largest pure white

Angelus, salmon pink

Aviator, dazzling crimson scarlet

Ball Blue, clear blue

Belle, rose pink on cream and ground

Blue Picotee, white edged violet blue

SHAW'S STRAIN FINE PETUNIAS

We are originators and growers of some of the World's finest Petunias. Direct from the originator and grower to you. Our aim has always been to develop and grow the highest standard in Petunias. We have added to our mailing list, in the past five years, thousands of the most prominent growers in the United States and Europe, whose aim it is to grow the finest strain of Petunias available. We have been able to satisfy these growers, due to our careful selection and our strict hand pollenizing each variety that we list, ever improving this wonderful strain of flowers. Each year we grow around one-half million plants in three-inch pots from seeds selected from our finest plants. The finest specimens are selected from this large planting for our field plants. Growers visiting our fields of Petunias are amazed at the gigantic size and beauty of these field grown plants that are used to produce the seed that is shipped direct to you.

No flower surpasses the petunia for massing in beds. Their richness of color, duration of bloom, and easy culture will always render them popular. We are one of the largest growers and originators of this popular flower and offer the following list:

GIGANTIC RUFFLED PETUNIA

- No. 298. **American Beauty**, NEW 1932, ruffled and frilled; flowers 5 to 7 inches in diameter; rose color with large white throat; lightly veined; very beautiful.
- No. 299. **Cattleya**, NEW 1932, ruffled and frilled; color rose-pink with golden yellow throat; heavily veined, brown; flowers 4 to 5 inches in diameter.
- No. 300. **Lilac Queen**, NEW 1932, color light lilac, veined with deep purple; very heavily fringed and ruffled; 5 to 6 inches in diameter; a new beauty beyond words.
- No. 301. **Red**, with black throat.
- No. 302. **Red and White**, variegated, large yellow center.
- No. 303. **Pink**, strong-veined center; exquisite color combination.
- No. 304. **Mauve**, center heavily veined with royal purple.
- No. 305. **Giant Copper Red**, improved; ruffled, distinct and beautiful; color terra cotta rose with bronze throat; flowers 5 to 7 inches in diameter.
- No. 306. **California Rose**, ruffled, beautiful rose color with strongly veined white throat; flowers 5 to 7 inches in diameter.
- No. 307. **King Alphonso**, dark purplish red, black throat.
- No. 308. **Jennie Lind**, New 1933, Salmon pink, white throat. A new beauty.
- No. 309. **Silver-rose**, beautiful delicate rose color with white throat.
- No. 310. **Gigantic Ruffled Varieties**, mixed.

PRICE—No. 301 to 310, 1000 Seeds \$1.00 for above varieties

GIANT FRINGED PETUNIAS

- No. 311. **Pink Empress**, Deep rose-pink; golden yellow throat with brown veining; deeply fluted and heavily fringed.
- No. 312. **Floretta**, Steel blue, veined black; flowers handsomely ruffled; golden yellow throat.
- No. 313. **Theodosia**, beautifully fringed; rose-pink, golden yellow throat.
- No. 314. **Caerulea**, light blue, with dark crimson veins; heavily fringed.
- No. 315. **Fringed Royal Purple** (New).
- No. 316. **Pepita**, flowers dark carmine changing to scarlet, blotched white.
- No. 317. **Violacea**, velvety violet blue, immense fringed flowers.
- No. 318. **Triumph**, beautifully ruffled; bright pink.
- No. 319. **Flesh Pink**, frilled; a most beautiful variety with frilled edges.
- No. 320. **Albo-Intea**, whitish yellow, with yellow throat; frilled.
- No. 321. **Matchless**, heavily fringed; flesh pink, pale throat.
- No. 322. **Charm**, appleblossom pink; heavily ruffled and frilled.

PRICE—No. 311 to 322, 1000 Seeds 50c for above varieties

GIANT BROAD-PETALED PETUNIAS

- No. 323. **Silverado**, shell pink; 4 inches in diameter.
- No. 324. **Purple King**, red purple; very compact grower.
- No. 325. **Purple Robe**, wonderful deep purple; broad-petaled flower; 3 to 4 inches in diameter; small percentage of double flowers. The finest of all purple Petunias. Excellent pot flower.
- No. 326. **Little Pink Glory**, pure flame rose-pink; bedding type.
- No. 327. **Purple and White**, variegated; a very profuse bloomer.
- No. 328. **Giant Pink Glory**, pure flame rose-pink; excellent pot Petunias.

PRICE—No. 323 to 328, 1000 Seeds 50c for above varieties

GIANT DOUBLE VARIETIES

*Seeds taken only from double flowers

- No. 329. **Shaw's Pride**, improved, new, true salmon pink of the Peony type; flowers 6 inches in diameter; will produce 65 per cent double flowers. This is a marvelous new color in

Petunias and one of the most striking colors yet produced. A very compact grower and a profuse bloomer. Color does not fade.

PRICE—1000 Seeds \$3.00

- No. 331. **Pride of Los Angeles**, giant double flowers; 4 to 5 inches in diameter; colors ranging from pink to deep rose shades. This variety is very heavily frilled. Produces 50 per cent full double flowers.

- No. 333. **Shaw's Double**, large Peony-type, double flowers in a mixture of self and variegated colors; heavily fluted and ruffled; produces 65 per cent double flowers.

PANSIES

(FLORISTS' GIANT)

In adding pansies to our listings, we have selected from the World's finest strains, the choicest strains available. After making tests we have selected those strains we found most suitable for the Florists and Nurserymen.

Improved Swiss Giants—Flowers unusually large with wonderful color combinations. Nearly all flowers are from 3 to 5 blotched. Exceptionally long stems, fine for winter cut flowers or spring plant sales.

Five Blotched Super Swiss Giants—85 per cent of this strain will produce 5-blotched flowers. This is a special selection made from the largest size flowers with a wavy outline, the finest in fancy pansies.

Tr. Pkg. 75c 1/4 Oz. \$1.75
1/2 Oz. \$3.00 1 Oz. \$5.00

Geneva Giants—This exceptional fine mixture of long stemmed exceptionally large beautifully colored pansies are the finest pancy for flattening purposes, producing flowers up to 3 inches diameter on low growing plants, in flats. We know of no other pansy that will handle as well as this one for selling purposes in flats.

Tr. Pkg. 75c 1/4 Oz. \$1.75
1/2 Oz. \$3.00 1 Oz. \$5.00

Maple Leaf Giants—The flowers are gigantic size, perfectly round, fine substance of flower and good form of plant, with

shades previously unknown in this family, with a complete color range.

Tr. Pkg. 75c 1/4 Oz. \$1.75
1/2 Oz. \$3.00 1 Oz. \$5.00

STOCKS

The stock is one of the many popular plants used for bedding. For brilliancy and diversity of color, fragrance and duration of bloom it is unsurpassed. Sow the seeds in pans or boxes and transplant when large enough, to an open sunny location. When transplanting take the plants as they come and do not pick the large ones. Stocks are one of our best winter blooming plants. May be planted from August to March for a succession of winter and summer blooms.

GIANT PERFECTION (Perpetual Branching)

This type is of the branching habit with long stems making it very desirable for cutting. The percentage of double is high. Height 2 feet.

Tr. Pkt. 25c	1 Oz. \$1.00
--------------	--------------

THALICTRUM DIPTEROCARPUM

The foliage somewhat resembles that of the columbine and the large feather heads of rose colored flowers are born on long stems above the foliage. They bloom through the summer and attain a height of 4 feet. An excellent perennial. The flowers are a charming shade of violet-mauve, which is brightened by lemon-yellow stamens and anthers.

Tr. Pkt. 25c	1/2 Oz. \$1.75	1 Oz. \$3.00
--------------	----------------	--------------

POPPY

EL MONTE (ICELAND)

Extra large deep tangerine orange, with fine stems, excellent for cutting. Though a perennial form, this will flower in six months from sowing.

Tr. Pkt. 50c	1/4 Oz. \$1.25	1 Oz. \$4.00
--------------	----------------	--------------

FLANDERS POPPY

The famous poppy of Flanders field. A single annual of blood red color. Abundant in the fields of Europe.

Tr. Pkt. 25c	1 Oz. 75c
--------------	-----------

AURIANTICA (California Poppy)

Best orange. Sample 25c	1/4 lb. \$1.00

IN ORDERING PLEASE NOTE INSTRUCTIONS

Customers not having an account, strictly cash with order. We do not send C. O. D. No plants or other perishable stock sent C. O. D.

REMITTANCES—May be made by Check, Post Office or Express Money Order, or Registered Letter, and if for less than 25c can be made in U. S. Stamps. Coin and currency should be sent by registered letter. Customers residing outside the United States please do not send Foreign stamps or currency—a Post Office order is preferable. All unpaid orders will be sent C. O. D. unless satisfactory arrangements can be made when the order is given.

OUR RESPONSIBILITY

It is so manifestly impossible for a seller of any perishable article to be responsible for what may happen to it after it leaves his hand, especially one like seeds, which are planted in the ground under varying conditions of soil and climate that we, in common with all American seed houses, disclaim responsibility as to the crop which may be raised from seeds which we sell.

Sometimes, though not often, our seeds do not come up after planting. This may be due to one or more of several reasons, such as covering too deeply or not deeply enough, too much or too little water, too cold weather or a baking sun which forms a crust too hard for the tender shoots to penetrate. Sometimes insects destroy plants at the surface before they are seen by the gardener. We cannot personally direct the use of our goods after they leave our hands; neither can we fully control anywhere or at any time the operation of natural law as it affects seeds; therefore, we give no warranty, express or implied, as to de-

scription, purity, productiveness, or any other matter of any seeds or bulbs we send out, and we will not be in any way responsible for the crop.

WE DO NOT WARRANT in any way, expressed or implied, the contents or the description, purity, productiveness or any other matter of any seeds, bulbs, plants, shrubs or trees sold by us, and we will not be in any way responsible for the crop. If the purchaser does not accept these goods on above terms, no sale is made thereof, and he must return them at once, and money will be refunded. Subject to above conditions, we make this sale at the moderate prices at which we sell our goods.

If the customer does not accept the goods on above terms, he must return them at once, and money will be refunded or proper credit given. We exercise, however, the greatest care to fill our orders with the highest quality possible, as it is our constant aim to give our customers fullest satisfaction.

PRICES—This list cancels all previous offers. Cash must accompany all orders.

All goods are offered subject to crop failure, shortages or other causes beyond our control and to being sold out on receipt of order, and we reserve the right to advance prices without notice.
